

About JFKL's Virtual OPAC

-  Provides patron access to bibliographic information on books, journals, and multimedia materials available in JFKL'S library
-  Patron able to search, request and renew books online
-  Patron able to view their detailed Account and Activity information
-  These instructions serve as a guide to help you familiarize yourself with the navigation of the various functions of OPAC.

Use the OPAC to:

-  find books on selected subject areas
-  ascertain availability of books
-  know the location of books
-  view details of your account and activity
-  renew, request books

What is OPAC

OPAC stands for **Online Public Access Catalogue**. It is an integrated catalogue of all books, periodicals, audiovisuals materials and multimedia located in JFKL library.

Features:

Access the Information Centers collection from any computer anywhere with Internet connection and runs a web browser.

Search the Information even when the library is closed.

Perform powerful searching by title, author, subject, keyword and advanced search terms.

Check the availability of an item

Link to cross references and additional titles with the same subject/keyword or titles by the same author.

Perform a virtual browse of the Information shelves by call number of the item.

Execute, view and print searches from the web browser for quick reference.

How to login to my OPAC account? (For current Japan Foundation Kuala Lumpur members only)

If you wish to access to your OPAC, you will need to key in your **Patron ID and Password**
Patron ID: **Your JFKL membership number** (KLXXXXX)
Password: **Your new Identification Card number (IC No.)/Birth dates /Passport No.**

HOW TO BEGIN

The screenshot shows the website interface for the Japan Foundation Kuala Lumpur Library. At the top, there is a navigation menu with links: Home, Keyword, Heading Keyword, Broadcast, Expert, Cart (0 title(s)), and Help. Below the menu is a search bar with a 'Browse:' dropdown set to 'Author' and a 'Search' button. The main content area is titled 'About JFKL Library' and contains several sections: 'Patron Access' (with a blue circle around the 'Patron ID:' and 'Password:' fields and a 'Submit' button), 'About JFKL Library' (describing the Japan Foundation Information Center (JFIC)), 'The library has a wide range of collection...', 'Reading materials are in English, Japanese and Malay...', 'Contact Us' (listing Miss Fakuz, Miss Fauziah, or Miss Shin), and 'Japan Foundation Kuala Lumpur Library' (providing address, phone, fax, and email). On the right side, there are sections for 'Quick Links', 'Recommended Reading' (featuring a book cover for 'BLUE OCEAN STRATEGY'), and 'Local Newspapers'.

Click at the patron access at the top of the page. Enter your username and password. Please request password from the librarian through email, at the counter and phone call.

Searching using Quick Search, Keyword Search, Browse Search, Heading Keyword Search.

The screenshot displays a library website interface. At the top, a navigation bar includes links for Home, Keyword, Heading Keyword, Reserve, Search Other Databases, Expert, Cart, and Help. The 'Keyword' and 'Heading Keyword' links are circled in blue. On the left side, there are two search sections: 'Quick Search' and 'Browse'. The 'Quick Search' section features a search input field, radio buttons for search scope (Anywhere, Books, Newspapers, Periodicals), and a 'Search' button. The 'Browse' section includes a search input field, a dropdown menu set to 'Author', and a 'Search' button. Below these sections are links for 'Set Session Filters' and 'Active Filter Settings' (showing 'No Active Filters'). The main content area on the right shows a welcome message for 'NICK CHIN CHEE BIN (KL04856)' with a 'more info' link. It also displays circulation activity (0 Requested Items, 0 Items that you have Checked Out, 0 Items Overdue, 0 Booked Items) and library account balance information (RM0.00 Fines & Fees). At the bottom of the main area, there is an 'Account Information' section with a 'Fee or Fine Category Assessment' table showing a total of RM0.00 and a 'more info' link.

Patron may choose to search by Quick Search, Browse Search, Keyword , Heading Keyword. In each of the searching area have the filter options patron may choose from the session.

How to use keyword search

What is Keyword Search

Keyword search allows you to do a keyword search on any indexed field of the bibliographic records stored in the database. This search type can include options to join multiple search terms or to submit a search to multiple databases

Click on **Keyword** to select the **Keyword Search** screen

The screenshot shows a 'Keyword Search' form. It has a 'Words:' label above a text input field containing 'ikebana'. To the right is a 'Search Type:' label above a dropdown menu currently showing 'title'. Both the text input and the dropdown are circled in blue. Below these are two rows of search options, each starting with an 'AND' button and a dropdown menu set to 'Author'. There are 'Search' and 'Reset' buttons on the right side of the form.

Patron can type in the title ikebana in the word column and search type put the item under title column.

Publisher NHK D

This record shows that the titles with ikebana will appear in any fields.

Heading Keyword

Allows you to search one of the heading keyword indexes for the specified term or phrase. This can include options to join multiple search terms.

Other than that, Heading Keyword give the ability to do keyword searching of authority records.

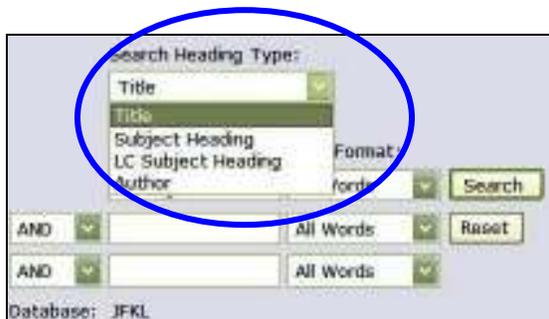

Note:

All Words: The term contains one or more words. Headings only match if they contain all of the listed words.

Phrase: The term contains a single phrase. Headings match if they contain the phrase anywhere in the heading.

Exact Match: The term contains a phrase that must be the beginning of the heading, in the same manner used to find a heading in the browse option.

RENEWAL

Welcome FAUZIAH (JF19)[more info](#)

You currently have the following circulation activity:
